

Claim Reporting Checklist

Use this checklist before you submit a claim request to help our team support you faster:

1) Policy details

- Policy number and insured name
- Contact person and reachable phone/WhatsApp number

2) Incident summary

- Date and time of incident
- Location and brief description of what happened

3) Initial evidence

- Clear photos/videos where relevant
- Police abstract or authority reference (if applicable)
- Witness details (where available)

4) Supporting documents

- Repair estimates / medical notes / invoices / delivery notes
- Any correspondence linked to the incident

5) Immediate action

- Report the incident as soon as possible
- Do not delay filing while waiting for every document
